

Transport Associates Limited

Privacy policy

Your privacy is important to us. This privacy statement explains what personal data Transport Associates collects from you, through our interactions with you, and how we use that data.

By providing us with your data you agree to the processing of your data as set out below.

Personal data

Transport Associates collects data such as your personal details and details of your business. You provide this data directly to us by filling in our data collection form on our website or contacting us directly. We only use the data you provide to us.

How we use your personal data

Transport Associates uses the data we collect from you to communicate with you about our services and any enquiries you have made with us directly. All personal information and data is protected by passwords and anti-virus software and kept within GDPR compliant software. Your information is not shared with third parties for any form of marketing or joint ventures or any other reason.

You can request that your personal data be removed or deleted at any time.
